

TEESSIDE TENANTS!

New Flex-bus now running

Source: stagecoachbus.com

Funded by the Tees Valley Mayor and Combined Authority, the new on-demand bus service is operated by Stagecoach.

The service is intended to ensure residents of more rural parts of Teesside (including Darlington, Stockton, Hartlepool, Redcar and Cleveland) can

stay connected with friends and family, and access health services and town centres more easily.

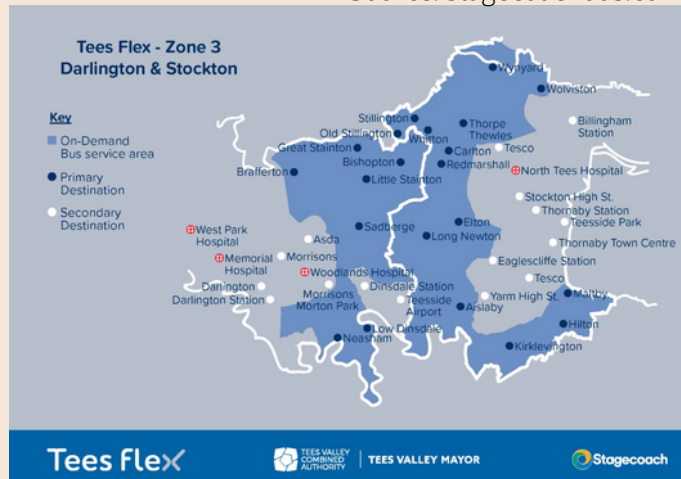

With standard prices ranging between £1-£6, under-19's benefit from half price fares and concessions ride for free. If you're taking the little ones with you, children under 5 go free.

The app is available now on your devices, just search for 'Tees Flex' then select your pick-up point from one of the 'virtual bus stops'. Choose your desired destination, select your pick-up time and you're on your way!

Don't forget, you can also book by phone! 0330 678 1545 calls are free and lines open Monday-Saturday from 7am to 8pm.

Email tees.flex@stagecoachbus.com for any questions on this new service.

Happy travels!

"No longer will people be cut off from friends or family, or unable to access health services, get to the supermarket or to the jobs, training and opportunities we're creating across Teesside, Darlington and Hartlepool. All they need to do is tap the app, log on or pick up the phone, and they can be picked up from right outside their door."
Stagecoach North East Managing Director, Steve Walker
